Dear Mr. Ruggles:

Regarding your letter concerning clearance for military bands to perform at the Vintage Festival, please be advised that this is normally forthcoming after a definite arrangement has been made for use of the Sonoma County Concert Band during the Festival. Once again, we would be pleased to offer financial assistance for payment of this band through the Music Performance Trust Funds in the amount of 50 percent of total cost of the band for \$544.50. The trust fund allocation would amount to \$272.25, which in the past has been matched by the Vintage Festival Committee.

These arrangements can be made at your convenience. However, keep in mind that we must submit the request for use of Trust Fund monies at least 30 days in advance of the date of the Festival. I will be happy to meet with you at your convenience or if this has been pre-arranged by your committee, all that will be necessary would be a letter of request asking for 50 percent participation from the Trust Funds. This would be presented before our Executive Board for approval.

Sincerely,

Dear Mr. Ruggles:

Please excuse our delay in response to your request for Music Performance Trust Funds to help sponsor a band concert during your 1970 Vintage Festival.

Mr. Passarell has been appointed to International Representative and as President I have been asked to take over Pro-Tem. I am trying to clear up earlier correspondence.

We would be very happy to request Trust Funds for 50% of the cost of the Concert Band. However, you should be made aware that as of July 1st our basic scale has been raised. The total cost will be \$617.10. Fifty per cent contribution will be \$308.55. We will gladly issue clearance to any Service Bands you might be able to contact. We would like to put in our request for the Music Performance Trust Funds now to insure its early acceptance.

I await your firm commitment.

Sincerely,

Elmont Lane
